## HIRE AGREEMENT

**It is the responsibility of the person who is hiring this Inflatable to ensure that all possible steps are taken to avoid injury or damage to the Inflatable.**

**Please ensure that the following Safety Instructions are followed:**

- 1) A responsible Adult **must supervise** the Inflatable at all times.
- 2) Do not allow anyone to be on/in the inflatable during inflation or deflation as this is **dangerous**.
- 3) Ensure that an area of 6 feet (1.8m) is completely clear around all enclosed sides and 11 feet (3.5m) is completely clear on all open sides.
- 4) Do not allow anyone to bounce on the front safety step as a child could easily bounce off the inflatable and get hurt. The step is there to assist children in getting on or off!
- 5) Always ensure that the Inflatable is not overcrowded, limit numbers according to the age and size of children using it. Try to avoid large and small children from using it at the same time.  
**No adults** are to use the Bouncy Castle.
- 6) No food, drinks, sweets including chewing gum to be allowed on or near the Inflatable which will avoid choking and mess. **(Please note if the Inflatable is collected in a dirty condition then the person hiring it may incur a cleaning charge).**
- 7) All shoes, glasses, jewellery, badges **MUST** be removed before using the Bouncy Castle.
- 8) No face paints, party poppers, coloured streamers or silly string to be used either on or near the Inflatable, a cleaning charge may be applied if required.
- 9) **No smoking** or barbeques near or inside the Inflatable.
- 10) Climbing, hanging or sitting on walls is **dangerous** and must not be allowed.
- 11) Children are not pushing, colliding, fighting or behaving in a manner likely to injure or cause distress to others.
- 12) No pets, toys or sharp instruments to be allowed on or near the Inflatable.
- 13) If the Inflatable is not being used for any part of the day, please switch the blower off at the mains.
- 14) Ensure that no-one with a history of back or neck problems is allowed on the Bouncy Castle as indeed any Child who is feeling unwell.
- 15) Please ensure that Children are not attempting somersaults and are clothed appropriately and that nothing can fall out of their pockets.
- 16) The Bouncy Castle should not be used if it becomes wet on the jumping area. If no shower cover is fitted and in the event of rain, the unit should not be used.
- 17) In the event of heavy rain, it is strongly recommended that the Inflatable be switched off. Any wetness, including bubbling (which is normal) can be dried with a towel.
- 18) In the event that the blower stops working, please ensure all users get off the inflatable immediately.  
Make sure the blower tube or deflation tube has not come undone or something has not blown onto and is obstructing the blower. In the event that it overheats, or loses power, switch the blower off at the mains, then switch it back on again 1 or 2 minutes later, and it should restart. If it does not, inform us straight away.
- 19) If I deem necessary due to safety from **poor weather conditions**, I may need to cancel an outdoor booking last minute, we can try to find a suitable indoor venue at short notice between us or we may have to rearrange the booking for another date.
